RACINE TENNIS CLUB

Summer 2009 Junior Tennis Programs

Racine Tennis Club wants you to be a part of our year-round program to develop junior tennis players. Players will work with our full-time, experienced tennis professionals to improve their tennis skills and their enjoyment of the game. These programs are designed for players to have fun and to become better tennis players.

Program Dates: All programs run for 11 weeks, from June 15 to August 28, 2009.

Students may sign-up for lessons during any of the 11 weeks. Players will be assigned to a lesson group based upon their tennis skill level. Please contact Todd Anderson at Racine Tennis Club (262-639-6100).
